Product information

This PW2 high visibility rain jacket is constructed using our 300D waterproof fabric keeping you dry and safe. Dynamic design coupled with a good fit guarantees maximum comfort and reliability. The bright florescent fabric combined with retroreflective tape ensures you are visible and safe on the job. A modern versatile design with ample space for over-branding.

PW2

Corporate branding can be applied to the large panels in key visibility areas enhancing brand identity. The two-tone design comes in a variety of corporate colourways and the slim-fitting styles can be mixed and matched to make the perfect head to toe uniform. These products have been produced using mixed and matched to make the perfect head to toe uniform.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
