Product information

This is a lined and padded version of one of our best selling trousers the T602. Utilising the same hard wearing fabric and pockets but with added insulation providing the warmth needed for a cold day on the job.

PW3

Utilising premium fabrics, products are engineered for flexibility across a diverse range of industry and trade end uses and offer exceptional value.

Workwear

Portwest workwear offers a range of designs and features suitable for many end uses. Quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.

Standards

EN 14404: 2004 + A1: 2010 Type 2 Level 0 (When used in combination with S156)
