Product information

Innovative women's stretch trouser using high performing two-way stretch fabric to give maximum range of movement when working. Clever features include crotch gusset, top loading kneepad pockets and an easy access multi-way thigh pocket for secure storage of phone, keys and tools. Oxford fabric reinforcement at key abrasion points and triple stitching throughout for maximum durability.

PW3

Utilising premium fabrics, products are engineered for flexibility across a diverse range of industry and trade end uses and offer exceptional value.

Workwear

Portwest workwear offers a range of designs and features suitable for many end uses. Quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.

Standards

EN 14404: 2004 + A1: 2010 Type 2 Level 0 (When used in combination with S156)
