

PW48 - PW Classic Plus Ear Defenders

Collection: Ear Muffs

Range: Hearing Protection

Materials: ABS, Polyoxymethylene, PVC

Outer Carton: 48

Product information

Lightweight and flexible the Classic Plus is adjustable and extremely comfortable to wear featuring a padded headband. Suited for long use.

Ear Muffs

Portwest Hearing protection range includes PPE with different level sound attenuation, to be adapted to various working environments giving the correct protection from dangerous noise, without isolating the workers. New models and colours for earmuffs allow a personalised choice. An updated range of earplugs complete our competitive and performing offer.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.
