

### PW72 - HV Extreme Ear Defenders Low

**Collection:** Hearing Protection

**Range:** Hearing Protection

**Materials:** ABS, Mono PU, Polyoxymethylene, TPR, Nylon, Foam

**Outer Carton:** 20

#### Product information

Experience the pinnacle of comfort, protection, and visibility with our HV Extreme ear defenders. A PU padded headband ensures unparalleled comfort even during extended use. The dual pin adjustable cups provide a secure fit, while the attenuation performance offers superior protection against harmful noise at a lower level. Plus, the reflective padded headband not only enhances comfort but also increases user visibility. The colour-coded cups make it easy to identify the correct attenuation level, ensuring maximum protection.

#### Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.

#### Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.
