Range: Hearing Protection

Materials: ABS, Mono PU, Polyoxymethylene, TPR, Nylon, Foam

Outer Carton: 20

Product information

New helmet mounted hearing protection from our premium colour coded ear defenders family HV Extreme to be used in combination with Portwest Endurance and Height Endurance helmets. Easy to attach to the helmets the ear defenders offer a secure and comfortable fit and superior protection against harmful noise when lower attenuation performance is required to avoid over protection. Colour coded cups assist for easy identification of the correct attenuation level.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.
