Product information

New helmet mounted hearing protection from our premium colour coded ear defender family HV Extreme to be used in combination with Portwest Endurance and Height Endurance helmets. Easy to attach to the helmets the ear defenders offer a secure and comfortable fit and superior protection against harmful noise when medium attenuation performance is required. Colour coded cups assist for easy identification of the correct attenuation level.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.

Standards

EN 352-3 (SNR 25dB)
