

PW78 - HV Extreme ear muff neckband

Collection: Hearing Protection

Range: PPE

Materials: ABS, Polyoxymethylene, TPR, Nylon, Foam, Carbon Steel

Outer Carton: 16

Product information

The new neckband ear defender from our premium colour coded hearing protection range HV Extreme enhances the choice of ear protection and is unique in our range as it can be worn in combination with head protection such as helmets or bump caps thanks to neckband connected ear cups. Its over the head velcro strap allows extra adjustment for secure fit. Colour code orange indicates the highest protection level, in line with PW62 and PS43 HV Extreme Ear Defenders for helmets and over the head.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.

Standards

EN 352-1 (SNR 32dB)
