

PW84 - Open Patella Knee Support

Collection: General PPE

Range: PPE

Materials: Nylon, SBR, EVA

Outer Carton: 120

Product information

This comfortable knee support strap reduces the risk of injury from physical exertion and heavy lifting. By stabilising and strengthening the knee joint it can also provide pain relief from existing knee conditions. The open patella design and adjustable straps ensure excellent freedom of movement. It can be worn on either the left or right leg.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
