Product information

This specialist anti-tangle vest has been designed as a comfortable and safe garment for track side use. Features of this garment include an elasticated back, zip fastener and a 4 point break away function at the shoulders and side seams.

Vest-Port

The Vest-Port™ extensive range of vests covers the varied demands of the work environment from core styles to the revolutionary "Executive" design, which is now available in both summer and winter weights.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
