Product information

Superior materials and quality construction make the RT43 a firm favourite amongst all rail industry and roadside workers. The hardwearing fabric withstands dirt and grime with the Texpel finish helping to repel stains. A large zipped bib pocket is ideal for holding tools and the shoulder straps can be adjusted to ensure a comfortable fit.

High Visibility Workwear

Combining safety and style, fabrics within our hi-vis workwear ranges are made from a premium durable polyester/cotton. These fabrics offer variations in weight and composition. The bright fluorescent capabilities of Portwests fabrics combined with the garments retro reflective stripes offers the highest possible visibility in poor light or adverse weather conditions.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
