Product information

Offers great wearer benefits and features including multiple storage options. Reflective tape is positioned higher up on the legs for even greater visibility.

High Visibility Workwear

Combining safety and style, fabrics within our hi-vis workwear ranges are made from a premium durable polyester/cotton. These fabrics offer variations in weight and composition. The bright fluorescent capabilities of Portwests fabrics combined with the garments retro reflective stripes offers the highest possible visibility in poor light or adverse weather conditions.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
