Product information

The ultimate in knee protection and wearer comfort. Ergonomically designed knee pads providing durability, comfort and protection. This knee pad fits all Portwest garments and does not hinder the wearer in any way when walking.

Kneepads

Portwest Knee protection range offers knee protection to suit every situation, type 1 (strap on knee pads) type 2 (insert knee pads) All Portwest knee pads use premium high density material to provide the user with the best protection possible for their knees no matter what the hazard. Diverse materials such as EVA foam, neoprene rubber and silicone gel inserts are used to ensure maximum wearer comfort. Ergonomic design is a key feature in our knee protection range and is proven with the positive feedback we receive from our wearer trials and satisfied customers. Ergonomics is a key feature in our knee pads design and is backed up in the positive feed back we receive from our wearer trials.
