Product information

Comfortable yet practical design, providing user safety in working environments. Finished with ribbed cuffs and neck.

Micro Mesh Bird Eye

Micro mesh bird eye high visibility fabric is constructed to keep wearers cool, comfortable and visible in even the warmest environments. Providing the wearer with a UPF+ 40 protection the fabric has advanced cooling properties which combined with its breathability make it the ideal choice for warmer climates. Durable and wrinkle resistant with a quick dry quality finish this fabric will stay strong wash after wash.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
