

S251 - Sealtex Ocean Trousers

Collection: Sealtex™ Ocean

Range: All Weather Protection

Shell Fabric: Sealtex Ocean: 100% Polyester Tricot, 95% PVC, 5% PU Coated

Outer Carton: 28

Product information

This classic style trouser uses high performing Sealtex Ocean fabric and provides the wearer with complete foul weather protection. The garment has a fully elasticated waist so it can be fitted easily over trousers, stud adjustable hems and high frequency welded seams.

Sealtex™ Ocean

Sealtex™ Ocean is very soft and extremely flexible. It does not have the rigid stiffness usually associated with PVC blended fabric. This fabric is tested and proven to be highly water resistant. It has an additional tricot knitted backing for maximum wearer comfort.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
