Range: High Visibility

Shell Fabric: 55% Cotton, 45% Polyester, Knit

Outer Carton: 48

Product information

The superior Cotton Comfort fabric used on this long sleeved t-shirt offers ultimate durability, comfort and breathability. The two tone design is stylish and ideal for minimising dirt and stains.

Cotton Comfort™

Cotton Comfort™ fabric is manufactured from a cotton rich fabric with cotton on the inside for comfort and polyester on the outside for maximum durability. The cotton polyester mix ensures that the fabric is highly breathable and that a comfortable temperature is maintained at all times.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
