Product information

Complete waterproof protection at an affordable price. The zip front fastening means the coverall is easy to put on and to take off, and the studded storm flap prevents water from penetrating. Features include side access pockets and a drawcord hood that can be rolled up into the inner collar.

Sealtex™ Classic

Sealtex™ Classic is a high technology, PU coated fabric, on a flexible, highly resistant 100% Polyester tricot knit, 200g. Sealtex™ Classic fabric is tested regularly to ensure it meets and exceeds EN343 waterproof standards. Independent test houses carry out hydrolysis and hydrostatic testing.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
