Product information

This cleverly designed reversible bodywarmer traps heat to keep you warm when worn either way. The Hi-Vis side of the garment provides added visibility and safety for the wearer when needed. Can interact with style S468.

300D Industry High Visibility

A comprehensive range of single and combination garments in a highly durable, EN343 certified fabric including some new cleverly designed and innovative styles.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
