#### Product information

Generously sized and styled, the Iona™ Lite Pant is designed to be worn over work pants to keep you dry and act as a chillproof layer. The addition of reflective tape increases wearer visibility and the pass through pockets mean that you can still get to items in your under-pant pockets. Sealed waterproof seams ensure a complete barrier against wind and rain.

#### Iona Rainwear

The Iona™ Collection offers functionality, added visibility and waterproof protection. These garments are certified to the waterproof standard EN 343 (Class 3) and enhanced visibility protection standard EN 17353.

#### All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigors of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
