Product information

The Hi Vis Ultrasonic Heated Tunnel Jacket offers the best in high visibility standards and insulation solutions. Carbon fibre heated panels are embedded into this padded jacket to bring extra warmth and comfort to the wearer. The use of innovative heat sealed baffle fabric increases its water resistance. The S548 also has three heat settings controlled by a button at the chest and includes a rechargeable battery that offers 3-10 hours of heat.

Portwest X3™

Engineered with exceptional fabric and design, the new Portwest X3™ rainwear collection allows for optimal outdoor performance. Designed with a modern slim cut and multiple performance enhancing features, the highly waterproof and breathable fabric used in this collection offers maximum protection against harsh weather conditions.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
