Product information

A classic jacket with good fit to streamline and reduce the bulkiness women often feel in a four-season jacket. The longer line back panel and discreet waist adjustment make this a contemporary silhouette and give a flattering smooth front jacket.

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
