Product information

Full waterproof protection and outstanding durability are key features of this winter padded coverall. The contemporary design is complemented by a high quality finish and close attention to detail throughout. Key features include: reflective tape for added visibility, reinforced knee patches for optimum strength, multiple pockets for storage and zipped ankles for easy fitting.

300D Rainwear

Made with 300 Denier 100% polyester yarn, this is a tough fabric for tough conditions. 300D fabric has superb abrasion and tear resistance. The polyurethane (PU) double coating on the inside makes the fabric durable and waterproof, and the outer has a water and stain repellent coating which helps keep the garment clean.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
