Product information

This cleverly designed winter pants keeps the wearer visible, safe, warm and dry in all weather conditions. The fluorescent fabric and the retroreflective tape offer superb protection in low light conditions, while the padding traps the heat for added warmth and comfort for the wearer.

High Visibility Workwear

Combining safety and style, fabrics within our hi-vis workwear ranges are made from a premium durable polyester/cotton. These fabrics offer variations in weight and composition. The bright fluorescent capabilities of Portwests fabrics combined with the garments retro reflective stripes offers the highest possible visibility in poor light or adverse weather conditions.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.

Standards
