Product information

One of the most hardwearing and durable garments available in the fleece range, the S665 is suitable for the most demanding work environments. The sleeve and shoulder panels give a stylish look and help extend the life of the garment. It also has a mobile phone pocket and an elasticated drawcord hem for a snug fit.

Fleece

Portwest fleece styles are made using high quality anti-pill polar fleece fabrics. These fleeces offer exceptional value whilst providing maximum warmth and comfort to the wearer.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
