Product information

Premium protection coverall combining hi-vis, flame resistant, chemical-resistant, anti-static, waterproof and breathable protection. Designed specifically for the oil and gas industry, this coverall is packed full of features such as: Full front stormflap with touch and grip fastening, fully lined, detachable hood, two large cargo thigh pockets & concealed phone pocket, zipped side opening on legs making it easier to take on and take off and shoulder reflective tape for maximum visibility.

Bizflame™ Rain

The Multi-Protection Range is a collection of high-quality, fully certified garments that offer maximum protection to the following standards: EN ISO 20471 High Visibility, EN343 Waterproof and Breathable, EN ISO 14116 Flame Resistant, EN1149 Anti-Static.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
