Product information

This premium hi-visibility overhead jacket has been designed with wearer comfort and protection in mind. The Portwest extreme stretch soft touch 3L waterproof, windproof and breathable fabric keeps the wearer dry in all conditions. Certified to EN343 Class 4:4, this jacket has a 2-way centre front zip, added ventilation panels in all pockets for added breathability, long access zipper, removable helmet compatible hood with shaped peak and 3 point adjustment system, adjustable cuffs and extended back length for added dirt protection. A must have within the PW3 collection.

PW3

Portwest PW3™ contemporary workwear blends sports and lifestyle trends with function, a modern fit and improved comfort. Utilising premium fabrics, products are engineered for flexibility across a diverse range of industry and trade end uses and offer exceptional value.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
