Product information

Cutting edge softshell jacket using sustainable fabrics that has a windproof, water-resistant, and breathable membrane with the added luxury of a micro polar fleece. Clever features include pre-formed elbows, reflective trims, and multiple pockets.

WX3

Portwest WX3™ technical strong workwear balances comfort, versatility and aesthetics. Products are designed to the highest standards and offer a solution for everyday activity and working environments. Constructed with cutting edge fabrics giving superior abrasion resistance and exceptional all-day comfort. Ingenious design solutions on fastenings and pocketing systems give unrivalled fit and security.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
