Product information

Designed to meet the multi functional requirements of those working in public safety environments, this vest uses lightweight, cooling mesh fabric, with a hook and loop fastening, includes 2 internal patch pockets and features a 5 point breakaway system for safety.

MeshAir™

The Portwest high visibility MeshAir fabric is lightweight and fully breathable making it ideal for working in warmer conditions. The open mesh fabric uses an advanced open knit construction which provides full airflow around the body and excellent ventilation. The MeshAir high visibility fabric is fully tested and certified to ANSI ISEA 107.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
