Collection: Vending

Range: Hand Protection

Materials: Polyester, Carbon Fibre, Elastane

Dipping:

Inner Pack: 24

Outer Carton: 432

Product information

The Vending Antistatic PU Palm Glove has been specially packed for vending machines. Constructed from 13g Nylon and a Carbon Fibre shell to divert static electricity. Coated with a durable PU palm for excellent dexterity. For use in electronics assembly, testing and precision work. The packaging itself has been compressed to maximise machine capacity.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
