Product information

The Vending PU Palm Glove has been specially packed for vending machines. These gloves are perfect for intricate tasks. They have a smooth PU coating for increased abrasion resistance and are palm dipped to increase dexterity and ventilation. The packaging itself has been compressed to maximise machine capacity.

General Handling

The General Handling and Grip Glove category is still one of the most popular collections within Portwests' Hand Protection Range. A carefully selected range of coatings, including Latex, Nitrile, Polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

HAND PROTECTION

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products.

Features

- New style
- Polyester is stronger than natural fibers and offers sufficient durability
