#### Product information

Introducing the vending PU palm glove, specifically designed for vending machines. These gloves excel in intricate tasks, featuring a smooth PU coating for enhanced abrasion resistance. With palm dipping for superior dexterity and ventilation, they ensure optimal performance. The packaging is thoughtfully compressed to maximise machine capacity, making them the perfect choice.

#### General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

#### Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products....
