Product information

This jacket is fully certified to EN13034 and offers excellent upper body protection against chemicals. Constructed in a superior polyester cotton fabric which is treated for ultimate durability. Features include a secure stud front and a concealed mobile phone pocket.

Chemical Resistant Workwear

This range of Chemical Resistant garments has a treatment applied to the fabric, which provides superb liquid chemical resistance protection. Enclosed pockets and covered fastenings ensure corrosion does not occur. These EN certified styles give top performance and outstanding protection to those working in industries exposed to liquid chemical hazards.

Workwear

Portwest workwear offers a range of designs and features suitable for many end uses. Quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.
