

WCR12 - Chemical Resistant Bib

Collection: Chemical Resistant Workwear

Range: Workwear

Shell Fabric: 80% Polyester, 20% Cotton, 245g

Outer Carton: 24

Product information

This bib offers upper and lower body protection against chemicals. Constructed in a superior polyester cotton mix treated twill fabric for ultimate durability. Features include secure enclosed pockets at the lower front and rear. A secure construction method ensures maximum protection for the wearer.

Chemical Resistant Workwear

This range of Chemical Resistant garments has a treatment applied to the fabric, which provides superb liquid chemical resistance protection. Enclosed pockets and covered fastenings ensure corrosion does not occur. These EN certified styles give top performance and outstanding protection to those working in industries exposed to liquid chemical hazards.

Workwear

The workwear collection offers a range of designs and fittings suitable for many end uses. Only the best quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigors of everyday wear, each garment has been carefully designed and manufactured to ensure optimum quality at the best price.
