Product information

Our Pro Utility Glove features a premium mechanics style, re-imagined using cutting-edge material crafted from 60% recycled nylon— a lower impact alternative to animal hide/conventional leather. Engineered for high abrasion and tear strength, this glove ensures advanced dexterity, exceptional durability, and an excellent grip. Adding to its versatility, it boasts touchscreen compatibility, providing full tactile control of most touchscreen devices.

Mechanic Gloves

Designed to enhance grip for precision work, this collection protects from a broad range of hazards. The gloves are constructed from highly engineered textiles and offer an extensive selection of colours, lining, and size options. This collection is suitable for mechanic applications, general construction, material handling, carpentry and utility work.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
