Bizflame™ Work

BizFlame™ Work has been developed and designed using a highly innovative flameresistant fabric with added anti-static properties. This material is constructed from 99% Cotton and interwoven with 1% Carbon Fibre. Its excellent tear and tensile strength offer durability, while the premium quality Cotton provides unrivalled comfort. The antistatic property is inherent due to the Carbon content.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
