Product information

Constructed using lightweight, modacrylic fabric, this polo shirt offers excellent freedom of movement due to its segmented tape design. Lightweight and stylish, this long sleeved polo shirt is the perfect choice to provide the wearer with advanced visibility and protection in hazardous situations. It features a loop at the placket ideal for attaching glasses/pens.

PW3

Utilising premium fabrics, products are engineered for flexibility across a diverse range of industry and trade end uses and offer exceptional value.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
