Product information

A modern take on safety footwear, this safety trainer offers excellent protection with an added innovation. The innovative wire-lace system allows faster lacing and quick release, while adding a more supportive, even fit to accommodate a variety of foot shapes. The lightweight breathable knitted upper is ideal for dry and warm conditions.

Wire Lace System

The innovative wire lace system is designed with double strength wire for excellent durability. Features include a raised texture on dial for better fastening grip, rubberised dial chassis for better abrasion and a quick release push/pull locking clasp. Engineered central cavities aids wire tension across the vamp of the shoe and is specially positioned on the shoe to ensure a levelled, all-over, comfortable fit.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
