

SK18 - Extreme Cold Weather Sock

Collection: Socks

Range: Foot Protection

Product information

With 40% wool content, these socks keep your feet warm, odour-free, and wick away moisture for all-day comfort. The double-layered design enhances heat retention and overall cosiness, while the cushioned heel and toe provide extra support and durability.

Socks

The unisex range of workwear socks come in a variety of styles and colour. Features include reinforced heels and toes for durability and a cushion sole area providing extra comfort and warmth.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.

Features

- Sock height 41cm
- Seamless toe sock providing a snug and secure fit
- Polyolefin insulating material
- Antimicrobial and anti-odour properties
- Double layer knit traps heat close to the skin providing enhanced insulation
- Excellent moisture wicking properties
- Cushioned heel reduces friction between the foot and the shoe
- Retail tag which aids presentation for retail sales
- Knit gauge 9 for shape retention
