

SK18 - Extreme Cold Weather Sock

Collection: Socks

Range: Foot Protection

Product information

With 40% wool content your feet will stay warm and odour free, and any sweat will be wicked away. This sock is double layered which increases its heat retention and comfort, along with the cushioned heel and toe areas.

Standards

SATRA TM 436

Socks

The unisex range of workwear socks come in a variety of styles and colour. Features include reinforced heels and toes for durability and a cushion sole area providing extra comfort and warmth.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.

Features

- Sock height 25cm
- Polyolefin insulating material
- Double layer knit traps heat close to the skin providing enhanced insulation
- Antimicrobial and anti-odour properties
- Excellent moisture wicking properties
- Cushioned heel reduces friction between the foot and the shoe
- CE certified
- Retail tag which aids presentation for retail sales
- Knit gauge 9 for shape retention
