

SK24 - Bamboo Hiker Sock

Collection: Socks

Range: Foot Protection

Product information

Naturally anti-bacterial socks that do not require any anti-bacterial chemical agents. These socks are soft and lightweight making them breathable and cool to wear. Excellent wicking properties makes them strong and robust. Hydrophilic materials will absorb moisture leaving your feet cool, dry and warm. Natural deodorising properties will keep your feet odour free.

Socks

The unisex range of workwear socks come in a variety of styles and colour. Features include reinforced heels and toes for durability and a cushion sole area providing extra comfort and warmth.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
