

A531 - Reinforced Winter Welding Gauntlet

Collection: Welders Gloves

Range: Hand Protection

Materials: Split Leather, Fleece, Aramid

Inner Pack: 6

Outer Carton: 48

Product information

Based on our most popular welding gauntlet A530. The A531 Reinforced Winter Welding Gauntlet is designed for working in cold conditions. The thick fleece lining provides excellent warmth. Aramid stitching provides greater durability.

Welders Gloves

Higher levels of protection are needed when a worker is dealing with extremely hot temperatures and heated materials. The Portwest Weld range has an expanding selection of hand protection solutions suitable for all welding and thermal risk.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwest's extensive range of Hand Protection products....
