

B120 - Thermal T-Shirt Short Sleeve

Collection: Baselayer

Range: All Weather Protection

Shell Fabric: 50% Polyester, 50% Cotton

Outer Carton: 48

Product information

A traditional t-shirt cut that offers optimum warmth at all times. The material construction allows the skin to breathe if conditions become too warm. The round neck makes it ideal for wearing as an under-garment

Baselayer

These simple classic knits are ideal underlayers for comfort and protection against the cold. The soft Cotton Rich fibers on the fabric knitting keep heat trapped in all day long.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigors of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.

Features

- Available in sizes up to 5XL
- Designed with a comfort fit
- Available in an excellent choice of corporate colors
- Provides insulation and thermal protection
