

### CD870 - WX2 Eco Softshell (2L)

**Collection:** WX2

**Range:** All Weather Protection

**Shell Fabric:** 100% GRS Polyester 2L Softshell bonded to 100% GRS Polyester Micro Polar Fleece

**Outer Carton:** 24

#### Product information

WX2 Softshell is made using woven stretch two layer softshell which is fleece backed for additional warmth and comfort. The strategically placed 4-way stretch fabric allows for ease of movement. This jacket has a host of technical features including internal and external pockets, chin guard and elasticated cuffs.

#### WX2

WX2™ is a new eco-conscious workwear collection. All products are constructed using GRS recycled fabrics and are available in a number of colourways allowing wearers to choose a colour to suit their professional environment.

#### All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
