Product information

The Oak Bib and Brace is constructed with 9 layers of protection to the front of each leg. Designed for use in the forestry industry this style offers excellent breathability, moisture wicking and water resistant properties. The lightweight design ensures maximum wearer comfort and mobility.

Oak Chainsaw

The outer fabric is 65% Polyester, 35% Cotton, 245g. This is highly durable and has a water repellent finishing. The certified styles have nine layers of protection to the front of each leg. This material adds superior protection, breathability and comfort.

Workwear

Portwest workwear offers a range of designs and features suitable for many end uses. Quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.
