Product information

Fresh dynamic design combined with superior stretch breathable fabric make this the most desired high visibility winter jacket on the market. Packed full of innovative features including HiVisTex Pro heat applied reflective tape, Texpel Splash water resistant finish, brushed micro fleece collar, and articulated sleeves. The superior InsulatexPro padded insulation gives perfect warmth without adding unnecessary weight. This jacket is guaranteed to make the wearer look great while keeping them safe and comfortable no matter what the task.

DX4

Stretch your limits with Portwest's dynamic workwear collection. This contemporary collection combines all the technical features required of modern workwear, with many clever innovations to ensure the wearer achieves maximum function and style. The DX4™ collection combines high performance stretch fabrics with robust oxford panels to provide unparalleled ease of movement and supreme flexibility. What defines this collection is the cutting edge designs which allow for a full crossover from work to leisure activity.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
