Product information

A modern and stylish hi-vis shirt with an ergonomic fit. This comfortable shirt hosts a range of features including twin-stitched critical seams, 2 chest pockets with secure button closure and durable breathable fabric, all contributing to the professional appearance of this garment.

High Visibility Workwear

Combining safety and style, fabrics within our hi-vis workwear ranges are made from a premium durable polyester/cotton. These fabrics offer variations in weight and composition. The bright fluorescent capabilities of Portwests fabrics combined with the garments retro reflective stripes offers the highest possible visibility in poor light or adverse weather conditions.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
