Product information

Portwest continues to bring unique and stylish designs without compromising on EN standards. A high quality breathable knitted upper with a twist of fashion and style. 100% non-metallic, fibreglass toecap, puncture resistant non-metallic midsole and dual density PU/PU outsole for superior grip and energy absorption. This meets the S3 standard making it a water resistant upper. Designed with a gel cushioned footbed reducing foot fatigue. Suitable for many environments.

CompositeLite Work

Top class design and engineering that offers stylish and durable protection. Non metallic safety components ideal for industrial wear with a strong and lightweight construction.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
