Product information

The ultimate in comfort and safety. Superior flex and durability due to the air bubble formula within the specially engineered PU compound. Your feet will be warm in the winter and cool in the summer. Specially contoured panelling ensures better protection in high abrasion areas. Kick-off lug gives easy removal. Including a steel toecap, steel midsole, anti-static elements and SRC slip rated properties. Removable footbed that is washable at 30°C. CI cold insulation properties that meet -17°C.

Portwest® Pro

A premium range of safety footwear manufactured using only the best materials and components. Constructed to provide unbeatable comfort, support and flexibility, this range is designed to protect your feet in the toughest environments.

Foot Protection

Innovation, design, styling and quality components define the Portwest foot protection collection.
