Product information

A versatile tool lanyard which prevents falling objects from a height. Specifically designed to be interchangeable, suitable for quick and easy exchanges of multiple tools. Safe Working Load 1kg

Tool Lanyards

The Portwest collection of Tool lanyards are an essential form of fall protection for anyone working at height. These items prevent tools from becoming dangerous falling objects and a safety hazard when working at height.

Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.
