

FP46 - Coiled Tool Lanyard

Collection: Tool Lanyards

Range: Height Safety

Materials: Steel Rope, PVC Coated

Inner Pack: 10

Outer Carton: 240

Product information

This Coiled Tool Lanyard keeps the length of the lanyard close to the anchoring point. This item prevents attached tools being dropped from height. The swivel carabiner is designed to prevent tangles. Safe Working Load 0.5kg.

Tool Lanyards

The Portwest collection of Tool lanyards are an essential form of fall protection for anyone working at height. These items prevent tools from becoming dangerous falling objects and a safety hazard when working at height.

Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.
